RE: DEP File No. 85-932

Dear Mr. & Mrs. Protasowicki,

I conducted a follow-up inspection on June 26, 2007 to see if outstanding issues had been completed prior to the issuance of a Certificate of Compliance.

The two outstanding issues were:

- 1) Completion of the concrete pad around the pool.
- 2) Removal of wooden play structures from the edge of wetlands.

Both issues have been taken care of satisfactorily; therefore a recommendation to issue a Certificate of Compliance will be made to the Conservation Commission on July 18, 2007.

Should you have any questions, please do not hesitate to call me.

Respectfully,

Tom Tidman
Director
